

**Statement from Attorney for Derek Tice in Response to  
Dismissal of Charges by the Prosecution**

“We are pleased that the Commonwealth has finally acknowledged that there is no credible evidence tying Mr. Tice to this terrible crime. The actual perpetrator of the crime is serving the rest of his life in prison. It is now time for Mr. Tice to try to rebuild his life with this grave injustice behind him. We all look forward to the day when Dan Williams, Joe Dick, and Eric Wilson—the other innocent men of the Norfolk 4—can likewise put this tragic chapter behind them.”
