

Comparison of Eric's Statements
With The Physical Evidence

| Eric's Statements to the Police During his Interrogation | Physical Evidence Found at the Crime Scene or During the Autopsy |
|---|---|
| Eric said that Danial and Joe raped Ms. Bosko in the living room | Ms. Bosko was found in the bedroom with her legs open, showing she was raped in the bedroom |
| Eric said that he pinned Ms. Bosko down while Danial raped her | There were no bruises on Ms. Bosko's wrists or arms and no other defensive or scrimmage injuries on her body |
| Eric said that Danial hit Ms. Bosko in the face | Ms. Bosko had no bruises on her face or head |
| Eric said that Danial and Joe got rough with Ms. Bosko during the rape | Ms. Bosko had no bruises or other injuries anywhere on her body except the strangulation marks on her neck |
| Eric said that he woke up the next day with a fresh scratch on his arm and he thought Ms. Bosko scratched him | Eric's DNA was not found on the blood underneath Ms. Bosko's fingernails. Only Ballard's DNA was identified on the fingernail clippings |
| Eric said he penetrated Ms. Bosko and thinks he ejaculated inside her | The DNA analysis eliminated Eric as the source of any of the genetic material left behind by the rapist |
